

**Non-waterproof and Waterproof LED Strips SMD3528**

- Energy Consumption: 4.8W/m (1.5W per linear foot)
- Light Output: 220 Lumens per meter (67 Lumens per linear foot)
- Life Time: 50,000hrs
- Input Voltage: 12V DC
- Available Colors: Warm White (3300K), Cool white (6700K)
- LED: 60 SMD/m, 20 Groups, Cuttable every 3 LEDs
- Adhesion: 3M self adhesive tape on the back

**12V LED Dimmer**  
Output Current: <8 A  
Power Output: 96 W

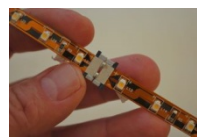

**12V LED Dimmer with Remote**  
Output Current: <8 A  
Power Output: 96 W

**Non-waterproof and Waterproof LED Strips SMD5050-30 LED's per meter**

- Energy Consumption: 7.2W/m (2.2W per linear foot)
- Light Output: 380 Lumens per meter (116 Lumens per linear foot)
- Life Time: 50,000hrs
- Input Voltage: 12V DC
- Available Colors: Warm White (3300K), Cool white (6700K)
- LED: 30 SMD/m, 20 Groups, Cuttable every 3 LEDs
- Adhesion: 3M self adhesive tape on the back

**Strip to Strip Connector**  
(Also available for RGB)

**Wired Connector**  
(Also available for RGB)

**Non-waterproof and Waterproof LED RGB Strips**

- Energy Consumption: 7.2W/m (2.2W per linear foot)
- Life Time: 50,000hrs
- Input Voltage: 12V DC
- LED: 30 SMD/m, 20 Groups
- Adhesion: 3M self adhesive tape on the back

**Radio Frequency RGB Controller w/ Remote**

- Very High Range
- Pre-programmed

**Infra-red RGB Controller w/ Remote Control**

- More Options in Choosing Colors
- Pre-programmed

**Non-waterproof and Waterproof LED Strips SMD5050-60 LEDs per meter**

- Energy Consumption: 14.4W/m (4.4W per linear foot)
- Light Output: 780 Lumens per meter (230 Lumens per linear foot)
- Life Time: 50,000hrs
- Input Voltage: 12V DC
- Available Colors: Warm White (3300K), Cool white (6700K)
- LED: 60 SMD/m, 20 Groups, Cuttable every 3 LEDs
- Adhesion: 3M self adhesive tape on the back

**Amplifier for RGB Strips**

**Transformer**  
Comes in 2A, 4A, and 6A

**Under Cabinet Puck Lights**

- Energy Consumption: 3.6W
- Life Time: 50,000hrs
- Input Voltage: 12V DC
- Available Colors: Warm White (3300K), Cool white (5600K)
- Dimensions: 2 3/4" (diameter) X 1/2" (thickness)
- The size of hole saw: 2 1/2"
- Comes with silver finish and high quality aluminium body
- 3 year limited warranty

**"Y" Connector**

**Strip to Transformer Connector**
